WHAT IS THE COMMUNITY POWERED REVITALIZATION PROGRAM?

The 6 Stones Community Powered Revitalization (CPR) Program was created to help pair volunteers with homeowners who are unable to complete necessary repairs to the exterior of their homes because of difficulties or circumstances beyond their control.

AM I ELIGIBLE FOR THE CPR PROGRAM?

The CPR program is designed to provide help to those homeowners who are in the greatest need of assistance and are unable to perform the necessary work themselves. A homeowner must meet one or more of the following criteria to be considered eligible for assistance through the CPR program; handicapped, disabled, 62 or older, veteran or a spouse of a veteran, or a single head of household (single parent) with children under 18 years old living at home. Additionally, this program is limited to those homeowners who meet certain income restrictions and have lived at their current residence for a minimum of two years. To determine if you are eligible for this program, please fill out the attached application and a member of the CPR Committee will contact you to discuss your situation.

HOW LONG DOES IT TAKE FOR MY HOME TO BE REPAIRED?

Once it is determined that a homeowner is eligible for the CPR program, 6 Stones will add their address to a list of homes currently needing assistance. Since this is a volunteer based program, we cannot guarantee a timeframe of when or if your home will be chosen from this list. It is also a possibility that only a portion of the items you requested will be completed due to the limitations of the volunteer organizations. Volunteers include churches, businesses, civic organizations and individuals who have a desire to help.

HOW DO I APPLY TO THE CPR PROGRAM?

To apply for assistance through the CPR Program, please complete this entire application and return it to:

City of Grapevine City Secretary's Office 200 S. Main Street Grapevine, Texas 76051 or P.O. Box 95104 Grapevine, Texas 76099
